

## Appendix B – Strange DAs and DBs

DA 12090272 Spryfield is bounded by Herring Cove Rd, Rocking Stone, Regan, Tartan and others. The estimated population of interest for this DA is 36%.

- The DA has two DBs one with 400 dwellings and one with 44 dwellings
- The large one is very long with a strange long narrow chunk taken from its neighbouring DAs
- The small DB of 44 dwellings is bounded by Green Acres, Mansion and Woodcrest.
- The population patterns for this DA provide obvious boundaries – just not the ones used.
